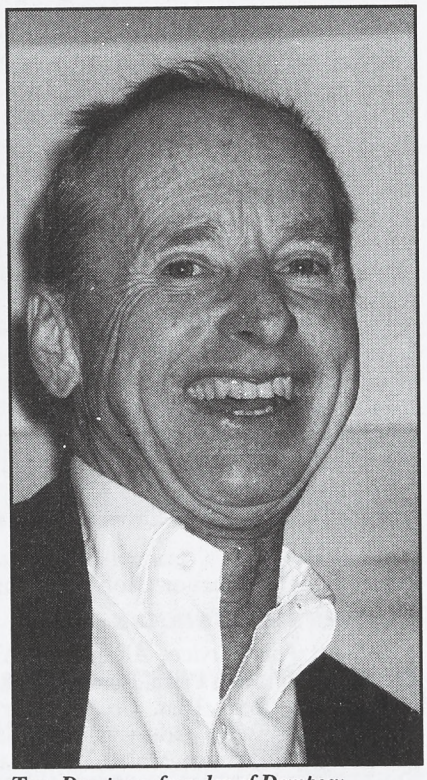
A Dedication to Tom Dempsey



Tom Dempsey, founder of Dempsey Construction Corp. and Snowcreek Resort.

Tom Dempsey was a pillar of our community who passed away Feb. 2, 2001. As the owner of Dempsey Construction and the beautiful Woods Site, Tom gave us great encouragement to develop and enlarge the Mammoth Lakes Jazz Jubilee each year.

A true philanthropist, Tom helped build the community of Mammoth Lakes more than any other person has. His donations included school sites, fire station sites, building the high school and college at cost, as well as hundreds of other projects that have made our town a better place to live. These were everyday occurrences for Tom. He did all of this in a quiet, behind the scenes manner and never wanted any public recognition for any of it. His "I knew you could do it" or "I knew we could get that done" was thanks enough for him.

It is with great pride that we dedicate the 13th annual Mammoth Lakes Jazz Jubilee to Tom and rename the Woods Site — the Tom Dempsey Woods Site – to "Tom's Woods".

We also want to thank Tom's wife, Linda, for allowing us to continue using the site this year.

Thanks for joining us!

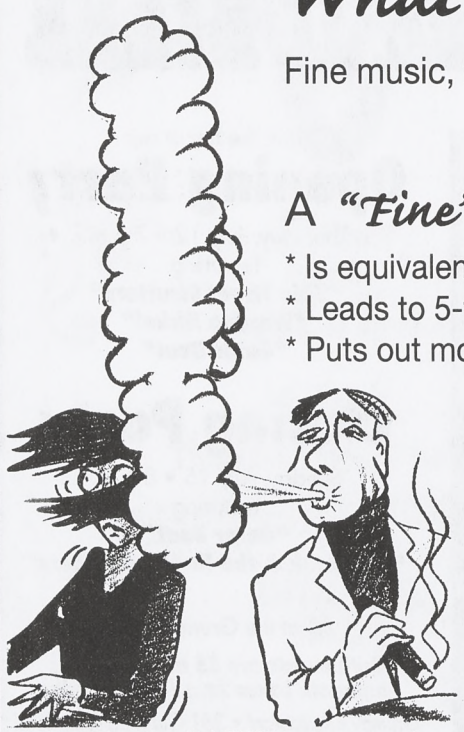
What a Celebration!

Fine music, fine friends, fine food, and a fine cigar:

WRONG!

A *"Fine"* Cigar...

* Is equivalent to smoking three to eight cigarettes
* Leads to 5-fold increase in the risk of dying from mouth and throat cancer
* Puts out more second-hand smoke than 3 cigarettes



So why don't I FEEL enormously successful and popular?

TOBACCO... IS TOBACCO... IS TOBACCO!

There is nothing "Fine" about it!

To quit, call the Mono Co. Health Dept. Tobacco Education Program at 760-934-7059 OR the CA Smokers' Helpline at 1-800-NO BUTTS.
Brought to you by Prop. 99, the 1988 Tobacco Tax Initiative.

Local Businesses Serve Up Hot Jazz, Too!

In addition to the tented venues at the 13th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

While most of these indoor venues are quaint restaurants, intimate cafés, and popular bars, we are again including the RV Park facility as an indoor site. Seating is limited at most of the indoor venues, so be sure to arrive early.

Expect the RV Park to be jumping both Friday and Saturday. A variety of bands will perform from the mid-afternoon until about 10:30 p.m. Dance lessons will be given Saturday at 3:15 p.m. by "Audrey & Shesha" who made a splash at last year's Jubilee. Check out the site schedule for all the details. This venue is located one block east of McDonald's on Hwy 203, on the right as you are heading back towards U.S. 395.

The upstairs bar inside of Whiskey Creek (located at the heart of the Jubilee) will be busy throughout the festival. Performances and special events are scheduled to take place on this famous stage Friday and Saturday evenings as well as Sunday midday.

Back once again is the Pianorama. This year, TWO sessions of the popular event will be held! Double your pleasure with Pianorama on both Friday and Saturday afternoons inside and downstairs Ocean Harvest Restaurant. Please refer to this year's site schedule for times and check in this program for a complete listing of who will perform when.

The Matterhorn and Nevados, also located in the Jubilee hub, are pleased to again host special banjo events on Saturday. The infamous no-host Banjo Brunch will strum it up from 8:30 to 11:00 a.m. at the Matterhorn, while Nevados will offer a Banjos and Cocktails (Guitars, too) affair (also no-host) from 4:00-6:00 p.m. Expect a variety of delicious food at both restaurants!

Ryan's Raiders will again be performing at a few local eateries. Look for this fun and rowdy foursome around town and join in the shenanigans! The original three "Raiders" will be joined by former Mammoth Jazz Camp attendee Tommy Catanzaro.

Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at outdoor sites only.

It's true, the spirit of the Mammoth Lakes Jazz Jubilee began 13 years ago with only one outdoor site. Now the entire town seems to have jumped on the Jubilee bandwagon. *MLJJ*

AT YOUR SERVICE

Special Needs

We make every effort to meet all of our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, Whiskey Creek Tent, and Grumpy's Tent. Also, these three tented sites have paved surfaces, not sawdust flooring, making it easier for those in wheelchairs and with canes. Additionally, there is a wooden floor at the RV Park site.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind Ocean Harvest and across the street from Tom's Woods along the wall.

And for all you weary guests, check out a very special feature at Tom's Woods — a massage chair with a professional masseuse! Stop in for a quick back rub or foot massage. Be sure to sign up for this 10-minute treat.

Cyclists' needs are again being addressed this year. Look for bike racks at many of the sites. Be sure to bring your own locking devices. *MLJJ*

Thursday, July 12: "All-Jubilee" badge or $5 cover charge required!

Later that night, Thursday, July 12, check out Tom's Woods and Grumpy's for two wild Jubilee opening bashes. "All-Jubilee" badges will be required for these opening night parties, or, if you don't have a badge, you can enter for just $5!

What's Happening at Tom's Woods?

To start the night off right, swing dance professionals Audrey Wilson and Shesha Marvin will be on hand at Tom's Woods from 7:15 to 8:10 p.m. to teach swing dance lessons. Audrey and Shesha are well-known instructors from Southern California who debuted their talents at last year's Jubilee. Following the swing dance lessons, stick around for the always spirited Blue Street Jazz Band at 8:15 p.m. followed by the Tom Hook (yep, he's back!) & the Terrier Brothers at 9:30 p.m.

SURVIVAL GUIDE

First Aid

***The first aid station** will be set up near Tom's Woods on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. Call 911 for all other emergencies in Mammoth Lakes.

For Your Information

***Have a great time** and please cooperate with the following guidelines, which will help make the jubilee more enjoyable for all:

***Because we are in a high fire-danger area**, there is **no smoking** at any site except in the designated areas; look for the signs. Please use the buckets for your "butts".

***Be careful crossing all streets**. Use crosswalks. Be aware that Minaret Road is very busy, so try to stay inside the walking lane. Also, the sites for the Big Top, Ocean Harvest Restaurant and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. **Of particular concern is the fact there is limited lighting at night in front of Ocean Harvest – be very cautious! Cars and drivers are not used to a lot of foot traffic in that area.**

Another area to use caution is the Holler. There are no street lights between the Church site and the Holler so be careful when walking there. <u>You may want to bring a flashlight for evening walking</u>.

***No seat saving.** <u>Not even</u> with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, **<u>DO NOT</u> save a seat for someone who is not there**. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. **Indoor venues have limited seating. Early arrival is suggested.**

***Lost and found** will be located in the main ticket booth at Tom's Woods <u>and</u> at the badge sales booth near the Big Top, behind the Sierra Nevada Inn. **Check the area** around your seat before you leave so you don't forget anything.

***Recycle cans and bottles** in the marked trash containers. Proceeds will go to local high school students.

***Those using a parasol or umbrella**, please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people!

***VCR recorders will be allowed in designated areas — only at the discretion of the bandleaders**. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

***Dancing on designated dance floors** will be at the following sites: Holler, Tom's Woods, Big Top, Whiskey Creek, Church, and Grumpy's Tent. Special black-and-white floors at Tom's Woods, Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not dance on the sawdust or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

***Sshh! Please hold it down!** If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.

***Restrooms are provided at each venue.** Look for signs or ask site personnel for locations.

***Parking will require "common sense."** It will be <u>limited</u>, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: Whiskey Creek lot, Community Center lot on Forest Trail, the old town yard lot off of Berner Street, Mammoth High School and the dirt lot across the street from Giovanni's Pizza just two blocks from Grumpy's, Ocean Harvest and the Big Top. Please do not block parking spots designated for band members or our hardworking crew. And always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle buses will service the Mammoth High School parking lot, as well as all over town. Please see map in this program (pages 20 & 21) to find location and pickup times.

Festival Badges

***Festival badges** are required at all sites.
All-Jubilee Badge: $60
Friday Badge: $30
Saturday Badge: $30
Sunday Badge: $20
All-Jubilee Youth Badge (ages 12-16): $10
Children under 12 years old are welcome free with adult.

***Alcoholic beverage policy**. Any beverage you purchase at one of our food/drink booths may be taken out of an outdoor site, transported down the street, and taken into another <u>outdoor site</u>. Please note: California law DOES NOT allow open containers of alcohol in cars — **<u>DO NOT TRANSPORT YOUR JUBILEE-PURCHASED ALCOHOLIC BEVERAGE IN A VEHICLE</u>**. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and <u>only</u> applies to beverages purchased at one of our **OUTDOOR SITES**.

Sorry — still no coolers or thermoses allowed.

This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please **do not** take beverages in or out of Nevados, Matterhorn, Whiskey Creek Restaurant, Ocean Harvest Restaurant or any other <u>indoor site</u>.

***Wooden dollars.** They will be used as payment for food and drinks at <u>outdoor sites only</u>. **The one exception**: The Sunday night program at Grumpy's Tent (Goodbye 2001 Jubilee) **WILL ONLY TAKE CASH**. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! Or you can save them for next year or donate them back to the Jazz Camp kids.

Most indoor sites will accept cash/credit card only, with exception of the RV Park – wooden dollars are accepted there.

At the entrance to Tom's Woods and by the Big Top tent at the Badge Sales Tent, you may purchase wooden dollars with a **cash or credit card** (minimum $20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars.

If paying by cash or check, there is no minimum: you can buy from $1 up.

Also, look for Mammoth Lakes Jazz Jubilee chip girls, who will be walking around selling wooden dollars at three sites: Church, Tom's Woods, and the Big Top.

<u>Please buy only the "wooden dollars" you need, as there is a no-refund policy.</u>

Most of All, Enjoy!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

***Do have a good time, and we hope to see you next year, July 11-14, 2002!** *MLJJ*

What's New at This Years Jazz Jubilee

Hot jazz in the cool Sierra is here again with the 13th annual Mammoth Lakes Jazz Jubilee. As always, four music-filled and party-packed days of fun are on tap for the thousands who travel from far and wide to meet, greet, listen, dance, drink and gobble-up all that this huge festival has to offer.

Each year, this Jazz Jubilee expands a little and this year is no different. Twenty-plus bands, ten venues and a schedule that is full of performances, special events and more are what will make this year's Jubilee the biggest and perhaps best yet.

Co-Directors Ken and Flossie Coulter have been the steam which makes this engine run so smoothly for about twelve years now. So we asked them what's new and different about this year's festival?

Any New Bands?

Of the 21 headlining bands, only one is brand-spankin' new to the Mammoth Lakes Jazz Jubilee. Known as the Swamp Dog Jazz Band, this hot group hails from Jacksonville, Florida. They play blazing ensembles a la Louis Armstrong and the Hot 7 to the intimate vocals a la Ella Fitzgerald and Billie Holiday. Their youthfully energetic yet "seasoned" Dixieland style is sure to delight audiences across the Jubilee.

Not new to the festival but back after a year's absence are two Jubilee favorites: Beth Chorneau and Tom Hook. Expect them (and their bands) to perform to packed houses as many folks really missed their talents and energies last year.

A New Site and a New Site Names...

Like last year, there are some changes in the sites. With the expectation of construction in the North Village area (formerly the site of several tents) Ken and Flossie have had to juggle the past couple of years to find what works and what doesn't.

What did work last year was the new complex located on the corner of Old Mammoth Road and Sierra Nevada Road – then called the New Yard complex. This year, part of site remains in tact. The huge 100-ft. by 100-ft. tent located between Sierra Nevada Inn and Ocean Harvest has been renamed from the New Yard to the Big Top.

Last year that complex also housed a souvenir tent, however this year the only souvenir tent will be located at the Woods Site, which has been renamed to Tom's Woods in memory of longtime owner Jazz Jubilee supporter, Tom Dempsey, who passed away in February of this year. Be sure to stop by!

A totally new site is called the Holler. Located in a forested area one block below the Old Church Site on Minaret Road, the Holler will be a hot spot in a pleasantly cool setting.

"We are excited about the new site," said Flossie. "It's walking distance from the Church and Tom's Woods sites. And it is really a scenic location."

Pianorama Times Two

The popularity of the Jubilee's Pianorama has inspired Ken and Flossie to offer it twice – as in one on Friday and another on

A Celebration of Special Events

The Mammoth Lakes Jazz Jubilee is a special event in itself. Yet year after year, several "special" special events fill-up the schedule. Most of these "special" special events have been around for years, while others are fairly new.

Read on for a complete round up of this year's "special" special events.

Thursday Free Previews

The first special event is an afternoon of free previews. This occurs opening day, Thursday, July 12. Free previews run from 3-7 p.m. at Tom's Woods site, and from 3:30-7:00 p.m. at the Holler. And as an added attraction, a free jazz dance performance will take place from 6:30 to 7:00 p.m. at the Holler.

To start things up in style, the Jubilee's host band, Temple of Folly, will rev up the crowds at the newly renamed Tom's Woods site beginning at 3:00 p.m.

Following that, Chicago Six will perform a preview set at 4:00 p.m. and Beachfront Property at 5:00 p.m. Ryan's Raiders wrap up the free afternoon of previews at Tom's Woods with their set from 6:00 to about 7:00 p.m. Each band will serve up about 45 minutes of music — just enough to whet your appetite of things to come.

Over at the new Holler site, Ryan's Raiders jumps starts the afternoon at 3:30 p.m., followed by the Side Street Strutters at 4:30 p.m. At 5:30 p.m., the Jazz Camp Professors keep the energy level going and at 6:30 p.m., the jazz dance show takes the stage. Each of these sets will be approximately 45 minutes as well, the last set will be slightly shorter.

Thursday Night Specials

Later that evening, the fun continues at Tom's Woods and Grumpy's. Entrance into all Thursday evening preview shows (that means all shows that begin after 7:00 p.m.) will require an "All-Jubilee" badge OR you can purchase a special Thursday night wristband for only $5. That wristband will allow you entrance into Tom's Woods and/or Grumpy's that night only.

The Thursday evening line-up starts at 7:00 p.m. in Grumpy's tent. There, the Side Street Strutters mix things up a bit with a few of the most popular styles of jazz from Dixieland to Big Band. The Wooden Nickel Jass Band comes booming in at 8:15 p.m. The sounds of zydeco and Mardi Gras come alive at 9:30 p.m. with another Jubilee favorite, Gator Beat.

At Tom's Woods, well-known instructors Audrey Wilson and Shesha Marvin will lead an hour of swing dance lessons. Lessons begin at 7:15 p.m. on the large dance floor. This event is for people of all abilities, so don't be shy — come on out and give it a try. Or show off what you already know!

Later at Tom's Woods, get moving and grooving with Blue Street Jazz Band beginning at 8:15 p.m. Tom Hook and the Terrier Brothers finish up the evening starting at 9:30 p.m.

All Thursday evening performances will run about one hour.

Free afternoon sneak peaks. Thursday evening wildness. What a great way to start off a fabulous weekend of jazz!

Badges Required Friday through Sunday:

Badges are required to get into all remaining Friday through Sunday regularly scheduled performances and special events. The Goodbye Jubilee party demands a $5 cover charge if you don't have an "All-Jubilee" badge. That party will be held at Grumpy's beginning at 8 p.m., Sunday, July 15.

Friday Special Events:

On Friday, July 13, the line-up of special events begins with a set of jazz standards (post-bop classics) with the Side Street Strutters at 3:00 p.m. in the RV Park. Also that afternoon, the popular Pianorama delivers the first of two installments at Ocean Harvest from 4:00 to 7:30 p.m. Come hear solos from many of the festival's talented pianists. (A second Pianorama takes place Saturday from 2:00 p.m., also at Ocean Harvest, Bob, Danny and Jeff perform at 11:30 p.m.)

Mr. Jack Daniel's Original Silver Cornet Band will perform a "Rhapsody in Silver" set with Bob Draga at Tom's Woods from 6:15 to 7:15 p.m. followed by three Mardi Gras sets by Blue Street (7:30 p.m.), Gator Beat (8:45 p.m.) and Tom Hook (10:00 p.m.).

At the Big Top, at 6:15 p.m., Mike Costley will do a Louis Prima/Keely Smith set. Also at the Big Top, Audrey and Shesha will be back on the dance floor to teach another round of swing dance lessons at 7:30 p.m. After the lessons, stick around for Terry Myers Big Band set at 9:00 p.m. This will be the first of two 90-minute Big Band sets this year.

The Side Street Strutters continue to stay busy that night with special sets at the Church at 8:00 p.m. (for the CD release of their

Zoo hours are Saturday, July 14 from 9:30 a.m. to 10:30 a.m. at the Holler. Don't worry, real musicians will be on hand to help those who don't know the difference between a trumpet and a trombone! From 6-7:30 p.m. there will be Jazz Campers' final concerts.

Also Saturday morning, you can buy or sell Jazz memorabilia at the Jazz "Junque" Swap Meet. The Swap Meet will take place in the parking lot of Nevados Restaurant from 9:00 a.m. to 11:00 a.m. Jubilee badge holders can rent a swap meet table for just $20.

The no-host Banjo Brunch will be held at the Matterhorn restaurant from 8:30 a.m. to 11:00 a.m. with the Jubilee's hottest banjo and guitar players strumming up a storm in various sets. Over at Nevados that afternoon from 4:00 p.m. to 6:00 p.m., more wild banjo and guitar playing will occur during the no-host Banjos and Cocktails (Guitars, too) shows.

The second Pianorama of the Jubilee begins at 2:00 p.m. at Ocean Harvest allowing pianists another chance to strut their stuff. This event runs through 8:45 p.m. Ocean Harvest will rage on Saturday night as Bob Draga, Jeff Barnhart and Danny Coots team up for a special set beginning at 11:30 p.m.

Tom's Woods again has a full day of special Saturday sets. The Hyperion Outfall Serenaders will perform a 45 minute set beginning at 9:00 a.m., immediately followed by Kinda Dixie saluting America's favorite vocal groups. Chicago Six' Precocious Percussion is always popular and this year they will perform it at Tom's Woods at 3:00 p.m. Later, at 6:45 p.m., check out more from the Side Street Strutters with a set called "Full Swing Ahead," a big band set. And at 8:15 p.m., its Terry Myers Big Band heating up the night with another 90-minute set of big band music.

At the Church, Mr. Jack Daniel's salutes Hoagy Carmichael at 6:00 p.m. with a healthy dose of Big Band action from Chicago Six at 9:45 p.m.

Put on your dancing shoes and head to the RV Park on Saturday at 3:15 p.m. for another hour swing dance lessons from Audrey and Shesha. At 8:15 p.m. Blue Street will do their popular "Kid Ory" set.

Grumpy's will be the site of this year's Brass Blast with Temple of Folly. This special set is a popular addition to the Jubilee and begins at 6:45 p.m.

The Big Top will feature "Jazz at the Philharmonic" at 4:15 p.m. played by Temple of Folly.

The final day of the Jubilee is Sunday, July 15. No Jubilee Sunday is complete without gospel music.

Down at the Holler, at 6:00 p.m., the Jazz Camp kids will be doing their final concerts.

Special Stuff for Sunday

The final day of the Jubilee is Sunday, July 15. Several special sets will take place that day starting with a Hymn-a-Long at the Big Top from 8:15 to 9:30 a.m. Night Blooming Jazzmen will lead this fun and spirited event. Its Lynchburg Sunday Morning from Mr. Jack Daniel's at 9:45 a.m., also at the Big Top. Later that afternoon, the site presents Chicago Six with a Count Basie set. This will begin at 2:45 p.m.

Frank Sinatra fans will enjoy Mike Costley's special set at Tom's Woods at 11:15 a.m.

No Jubilee Sunday is complete without gospel music. Gospel sets will be performed by the High Sierra Jazz Band at the Holler at 10:30 a.m. and by Blue Street Jazz Band at the Whiskey Creek Tent at 10:15 a.m. At 12:15 p.m. Chicago Six will present a special set of "semi-gospel: inside Whiskey Creek."

Over at the Holler, it is "Singer Sunday" with the vocal stylings of High Sierra (10:30 a.m. — gospel), the Big Shots (11:45 a.m.) Mike Costley (1:00 p.m.), Beachfront Property (2:15 p.m.) and Beth Chorneau (3:30 p.m.).

There will be a few interesting collaborations Sunday including Mr. Jack Daniel's Original Silver Cornet Band, which will team up with Terry Myers for a special set at Tom's Woods at 3:00 p.m. Also, Wooden Nickel Jass Band and Blues Street Jazz Band join forces at the Church at 2:15 p.m.

The Grand Finale is set for Sunday afternoon at Tom's Woods. This exciting finale, which starts at 4:45 p.m. is not to be missed.

And as mentioned above, the Goodbye Jubilee 2001 shindig at Grumpy's is set to begin at 8 p.m. with music from Gator Beat and Tom Hook and the Terrier Brothers. This is a wild and crazy night and it is best to be there early, since it always fills up.

Be sure to stop by to say good-bye to the 13th annual Mammoth Lakes Jazz Jubilee. Remember, you will need your "All-Jubilee" badge or a $5 cover charge to get into the Goodbye Jubilee 2001 party. *MLJJ*

Feelin' Lucky?

Jazzy T-Shirt Raffle

One of the most popular souvenirs available at the Mammoth Lakes Jazz Jubilee is the Jazzy T-shirt! Not only is this T-shirt beautifully designed each year, but also every shirt is individually numbered to represent the purchaser's chance in a huge raffle. Buy a Jazzy T-shirt, fill out attached entry card and enter it into the raffle. Buy two, and your chances increase.

The Jazzy T-shirt actually went on sale over a month ago at various local businesses. Since mid-June, weekly raffles have generated excitement about the Jubilee. Prizes, such as gift certificates and merchandise, have already been given away.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the grand prize drawing of a 27-inch color TV. Other top prizes include a CD portable stereo, a three-day, two-night stay at the Silver Legacy Resort Casino in Reno in one of their spa suites and a set of Ken Burns Jazz videos from his PBS series.

Another special raffle prize is a handmade necklace made by acclaimed artist Joyce Shelton and Linda Perrin, Terry Myers' wife.

If you are a lucky winner of any of the many wonderful items being raffled, you can find Prize Pick-up at the back of Tom's Woods site. You can't win if you don't play. Fill in the attached entry card and hand it to the Jubilee volunteers in the booth.

Even if your number is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

Big Band Bash with Terry Myers – Double Your Fun!

Friday, 9-10:30 p.m. at the Big Top

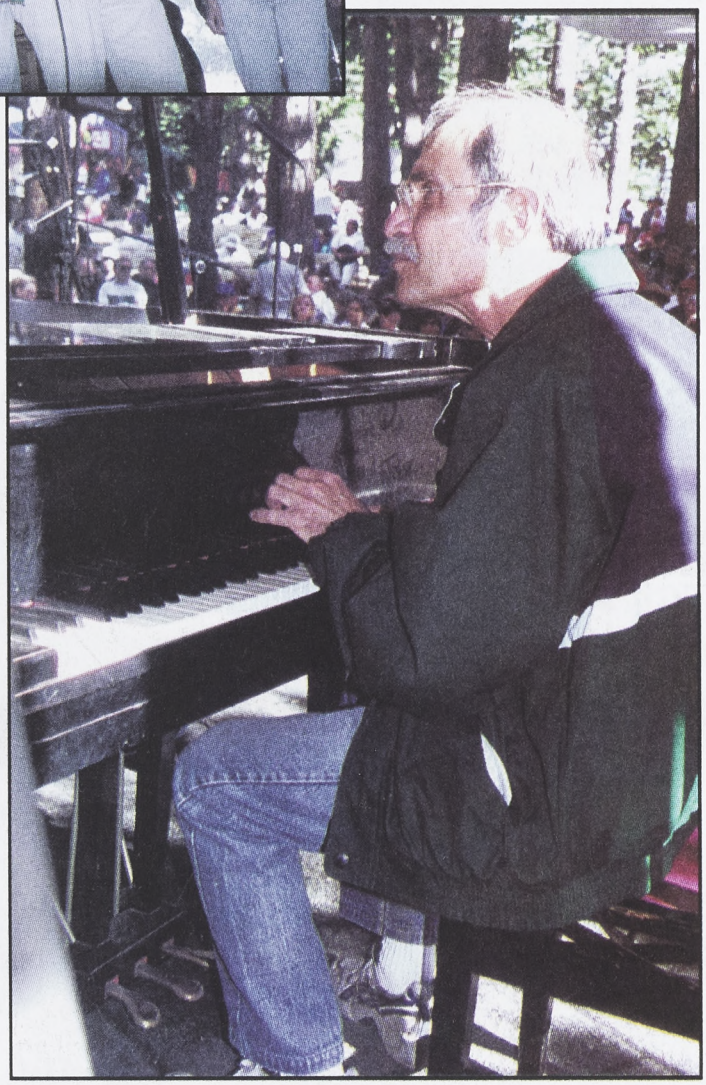
Saturday, 8:15 to 9:45 p.m. at Tom's Woods

The enormously popular Big Band Bash will take place two nights this year with the always-talented Terry Myers. Terry returns to Mammoth Lakes with his big-band charts — all the way from Orlando, Florida. All of those familiar tunes you love are sure to be included.

Many world-class players from the 2001 Jazz Jubilee line-up will join Myers and put on a show to remember. Big bands are not as widely in existence these days, so we encourage lots of players to participate. To emphasize how good they are, the players don't rehearse before the performance; they just sight-read and swing!

As for the roster of performers, you may see players from the Wooden Nickel, Blue Street, Kinda Dixie, Temple of Folly, Swamp Dogs, The Jazz Camp Professors, Titan Hot Seven, Ryan's Raiders, Mike Costley Band, Bill Allred's Classic Jazz Band, Chicago Six, Mr. Jack Daniels Silver Cornet Band, Side Street Strutters, and Tom Hook and the Terrier Brothers.

Myers brings out the best in all of them. Be sure to stop by for at least part of these two 90-minute sets. *MLJJ*



Pianorama *from page 16*

Saturday. Both piano events will be held at Ocean Harvest (inside and downstairs) and will feature the top pianists and keyboardists from the Jubilee. Check the schedule for times.

"The Pianorama is one of the most popular special events at the Jubilee," added Flossie. "So why not have two!" She then added, "We hope people enjoy all the returning bands this year and our sole newcomer Swamp Dogs, too. Each year, we try and keep it fresh – that is one of our goals with this Jubilee." *MLJJ*

Think Before You Drink: Take It Easy!

For those of you unfamiliar with the altitude here in Mammoth Lakes — take it easy! At 8,000 feet, you and your body will react to things differently. Specifically, be careful when drinking alcohol.

Consuming two beers at a high altitude will affect you very differently than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus. If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. *MLJJ*

Lights, Camera, Action:

Over the years, GOAL Productions has produced several videos about the Jubilee. These include "More Jazz Up High," "Jazz in the High Sierra," "Mammoth Encores," "10 Years Old and Still Going Strong," and "Mr. Jack Daniel's Original Silver Cornet Band & Friends" which includes Bob Draga and Bill Allred's Classic Jazz Band.

These and other videos are on sale at the souvenir tent in the Woods Site.

Last year, they produced a CD titled "2000 Pianos, 2 Guitars and 1 Clarinet." It was recorded live at Ocean Harvest, mostly during the Pianorama.

Jack Oswald is in charge of the production. He will be happy to answer any of your questions. *MLJJ*

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works to achieve the goal of encouraging, sponsoring, and stimulating active participation in the performance of music. The Society has given the Mammoth Unified School District music programs invaluable support.

The Music Society is a contributor to the Jazz Jubilee Camp, a weeklong program for young musicians interested in learning to play jazz. Their donations allow students to participate in the popular camp.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at Tom's Woods. If you don't see a red-aproned information guide (with the big white "?" on the front of the apron) stop by the Music Society table and they will assist you.

Other areas where the Music Society is a contributor include the Sierra Summer Festival, Mono County Arts Council, the Community Chorus ("The Messiah") and the High Sierra Music Theater.

Contributions are also given to the Barber-shoppers, Brass Choir, school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests, and scholarships for promising high school seniors.

*Look for our very own "Mammoth Barbershoppers" performing on stages during intermissions and all around the Jubliee. We are proud of our local talent and hope you enjoy them as much as we do! *MLJJ*

More Thanks...

The 13th annual Mammoth Lakes Jazz Jubilee is supported in part with funds from the National Endowment for the Arts, a federal agency, and the California Arts Council, a state agency.

We here at the Jubilee are very grateful for the support of these agencies and councils, and welcome their participation in this year's event. *MLJJ*

Youth jazz Development

Jazz Jubilee Camp Celebrates 7th Year

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a weeklong camp devoted to teenagers and to jazz.

This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its seventh year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 8 and runs through July 15. It is a unique opportunity for young musicians who want to learn all elements of jazz, and who wish to perform at a major jazz event.

The camp is not for simply learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. And, to top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Youth/Jazz Camp Band on the schedule.

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Bill in the experience, including Rusty Stiers, Jim Buchmann, Steve Tyler and Lee Westenhofer, as well as Dick Maley on drums. A former intern, Jason Wanner, is now a regular instructor at the annual jazz camp.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors at this year's Jubilee. They will be performing as "The Professors". Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona and Idaho. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets. *MLJJ*

Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee and the Music Society of the Eastern Sierra donate money to send local students to jazz camps.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at Tom's Woods, donates a satin jacket each year, for which we sell raffle tickets at $1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket! *MLJJ*

Fourth Annual

Musical Instrument Petting Zoo

Saturday, July 14, 9:30 at The Holler

Many of the people who attend festivals have never even touched a musical instrument, much less played one. In 1997, we thought it would be fun to have a Musical Instrument Petting Zoo, featuring many of the instruments used at the Mammoth Lakes Jazz Jubilee. It was such a huge success; we have brought it back every year since!

Kids, adults, musicians, and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people have since taken up their favorite instrument. The instructors sure got a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 14 at The Holler site. Petting hours begin at 9:30 a.m., so stop by and hold, blow, beat, or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Best of all, jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

This event is free; however, there will be a donation jar to benefit the jazz camp. *MLJJ*

Our Philosophy

Still jazzing after all these years...

Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

The point of a festival is to be festive. To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry, and the whisper: It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year. *MLJJ*

Beachfront Property returns to the Mammoth Lakes Jazz Jubilee after a two-year absence. On their last visit, in 1998, the group was made up of six singers, however this year look for the four strong voices of Tom and Jennifer Dustman and Bill and Jill Mumaw.

The group formed in 1985 at Long Beach City College in Southern California. By 1989, the group had landed a recording contract with Cexton Records and soon began headlining and touring at performing art centers and universities across the country.

Their smooth singing style combines the rich sound of jazz and swing with the fun and energy of pop music. Also well known for their superb vocal harmony, Beachfront Property brings a unique and innovative approach to the art of singing.

Highlights in the band's history include sharing the stage with the Four Freshmen, the Hi-Los, Kenny Rankin, Emerson, Lake and Palmer and Mel Tormé.

Beachfront Property's three CDs, "Beachfront Property," "Straight Up" and "A Beachfront Christmas," are all nationally and internationally distributed and have consistently appeared on jazz polls and high rotation play lists throughout the country.

Please welcome back this wonderful quartet to the Mammoth Lakes Jazz Jubilee.

Beth Chorneau Fourtet

Charlotte, North Carolina

Beth Chorneau	**Leader, Vocals**
Jim Brock	Percussion, Drums
Gary Marcus	Piano
Gerard Benson	Bass

Welcome back the **Beth Chorneau Fourtet**, who were missed at last year's Jubilee. Since the early 1990's, Beth and her band have become a Jubilee favorite here in Mammoth. What started out as a trio, has grown to four – each dazzling and talented in their own right.

Beth began performing in southern California, where she grew up singing and learning dozens of jazz standards while listening to her father's (Mammoth Lakes Jazz Jubilee co-director Ken Coulter) Sarah Vaughan and Ella Fitzgerald records. She branched out, singing in rock 'n' roll bands and even had a short stint in a country band.

For the last 12-plus years, however, Beth has dedicated her talents exclusively to jazz and has become the premiere jazz vocalist in her hometown of Charlotte, NC. One of her favorite shows is with the Charlotte Symphony Orchestra and a 50-voice gospel choir each Christmas.

With husband, Jim Brock, on drums, Gary Marcus on piano and Gerard Benson on bass, the Beth Chorneau Fourtet is a tight, jazz ensemble. The Beth Chorneau Fourtet has been awarded the honor of being "Best Jazz Band in Charlotte" and Beth the "Top Female Vocalist in Charlotte."

The Big Shots, starring Johnny Fabulous

Southern California

Ken Treseder	**Leader, Sax, Piano, Vocals**
Steve Crum	Trumpet, Vocals
Penny Watson-Crum	Sax, Vocals
Tom Bevan	Guitar, Vocals
David Eastly	Bass, Vocals
Randy White	Drums
Kirk Wall	Vocals

The Mammoth Lakes Jazz Jubilee is excited to welcome back **The Big Shots, starring Johnny Fabulous**, a seven-member swing band based out of Southern California. The band formed in 1997 after evolving from another band that existed three years previously with all current members except vocalist Kirk Wall.

Leader and brainchild of the Big Shots is Ken Treseder, who wrote and composed many of the songs on their CD. He is an impressive saxophonist who has had a chance to study and play with many jazz greats including Ray Brown.

Joining Treseder is fellow saxophonist Penny Watson-Crum, whose father played trombone with the Count Basie Band. Watson-Crum also worked four years on the Arsenio Hall Show. Her husband, Steve Crum is in the band, handling both trumpet and keyboards – sometimes simultaneously! Bassist Dave Eastly, guitarist Tom Bevan, and an electrical engineer turned drummer/percussionist Randy White round out this amazingly talented group of musicians.

Kirk Wall, who is "Johnny Fabulous", adds to the group as a humorous and flamboyant front man. He dons vibrant zoot suits while showing off a vocal range capable of swing tunes, doo-wop, rock, gospel, rockabilly and even opera.

"I think swing and other oldies will retain popularity because of the broad spectrum of interest. There's an appeal to all ages. And it's non-stop fun," said Wall.

This hard-swinging unit known as **Bill Allred's Classic Jazz Band** started out as a "kicks band," collecting and playing some of the early works of small band arranged jazz. With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing and straight ahead with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band!'

The **Blue Street Jazz Band** has been a major force on the Dixieland jazz circuit for a number of years. Founded in 1983 by trumpet player Forrest Helmick and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin" – Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. With 18 years as a group, more than a dozen top-selling albums and too-many-to-count live performances around the globe behind them, this is one band you've probably heard before.

Bob Finch	**Leader, Bass**
John Hall	Drums
Bob McKewen	Reeds, Vocals
Lloyd Hebert	Trombone
Mickey McMann	Trumpet
Si Perkoff	Piano, Vocals
Yve Evans	Vocals

Chicago Six is as much a tradition here in Mammoth as the Jazz Jubilee itself and they are recognized here as one of the most popular returning bands.

The band hails from Cardiff, a town just north of San Diego.

A swinging group of musicians, Chicago Six has been around for more than 20 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the most well known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett, Tex Beneke, Less Brown and the ever-popular Skinny Ennis.

One of this band's most popular sets is called Precocious Percussion and it happens on Saturday afternoon at 3:00 p.m. at Tom's Woods – don't miss it! They will also perform a "semi-gospel" set Sunday at 12:15 p.m. inside Whiskey Creek.

Like a good gumbo, the flavor is spicy and bound to please. They have been playing dances and festivals on the West Coast for over 10 years, and leader Domingue has created several CDs.

No matter what your taste in music is, you won't be able to resist Gator Beat's feel-good, magical sounds.

Don't miss Gator Beat takin' it "down home" to Louisiana during the Mardi Gras festival at Tom's Woods Site, Friday night at 8:45 p.m. They will also be featured at the Grumpy's tent opening night party at 9:30 p.m. and at the Goodbye 2001 Jubilee party, also at Grumpy's, Sunday night at 8:00 p.m.

2001 marks the return of the popular **High Sierra Jazz Band**. Those who have seen these guys perform know they are hot! A few new players and a sizzling new sound have made them better than ever!

High Sierra has performed in Mammoth many times, however they did not make it here last year. They did remain busy in 2000, however, as American Rag readers selected them as their favorite active traditional jazz band. They also were the outstandingly entertaining host band at the 2001 Jazzaffair. Chattanooga and Sacramento fans, too, have appreciated the band's hard-driving West Coast style.

Please welcome back High Sierra Jazz Band and let them know what you think of their new sound!

Kinda Dixie Jazz Band

Las Vegas, Nevada

Jim Fitzgerald	**Leader, Trombone, Vocals**
Greg Wing	Trumpet
Steve Johnson	Reeds, Vocals
Dan Ellis	Piano, Vocals
Ty Lemley	Bass, Guitar, Banjo, Vocals
Paul Testa	Drums

When the music of old New Orleans meets up with the spirit of old Las Vegas, a lot of folks find the result kinda irresistible.

The **Kinda Dixie Jazz Band** plays its namesake music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

Leader and trombonist Jim Fitzgerald believes the success of the band lies in the fact that it isn't just traditional Dixieland, but has evolved to a lot more four-part vocals and standards arranged for groups such as the Four Freshman and the Ink Spots.

The six-piece band has more than 350 arrangements in its songbook and ample opportunity to play them. For more than 14 years they have been the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas.

Mammoth is kinda excited as it welcomes Kinda Dixie back to its Jazz Jubilee.

Chuck Buffamonte	Guitar
Steve Alaniz	Saxophone
Gino Antonacci	Vibes, Piano
George Stanley	Bass
Tony Campodonico	Piano
Steve Neilen	Drums
Sherry Evaro	Vocals

Mammoth Lakes welcomes **Mike Costley** and his band of wonderful musicians to the Jubilee for the second year in a row! Mike pulled together a bunch of friends and musicians who he has played with over the years and formed this crowd-pleasing crew.

The great thing about seeing Mike Costley perform is that he is so adaptable. Whether in a nightclub, an auditorium or an open-air setting, he molds himself to the environment and rises to any musical occasion.

He can effortlessly make the transition between the swinging playful songs of Louis Prima to the heartbreaking torch songs of Frank Sinatra. Mike has an enormous love of music, whether it be jazz or big band, contemporary or rhythm and blues; his desire to draw the audience in is pure magic. He has a boyish charm and a mature singing style, which make him a must-see performer.

Mike's numerous accolades include appearing on the Merv Griffin Show, recording with Frank Collette and the Tonight Show Orchestra, and playing numerous nightclubs in Los Angeles and Orange County. He was lead singer of the Standing Ovation, with whom he traveled the United States and Puerto Rico and as a solo performer. He has appeared at the Las Vegas Hilton, Bally's in Reno and Caesars in Lake Tahoe.

Mr. Jack Daniel's Original Silver Cornet Band

Linda Patterson	Alto Horn
Barry Green	Tenor Horn, Trombone
Ernie Collins	Baritone Horn, Trombone

Bob Stevens	Banjo, Guitar
Chris Norton	Mallets
Ray Vonrotz	Drums

An affectionate re-creation of a small town band (Lynchburg, Tenn. Pop. 361) that existed at the turn-of-the-century, **Mr. Jack Daniel's Original Silver Cornet Band** brings vividly to life the sights and sounds of a vanished era in American musical history via a 13 piece band of professional musicians dedicated to playing the music of the Small Town Bands of over half a century ago.

Unquestionably, the Jack Daniel's band projects technical brilliance.

But perhaps just as important is the fact that the group, and especially Professor Marcus Arnold, communicates so much warmth and good feeling. In its unassuming, folksy, ever-so-appealing way, the Jack Daniel's band makes a powerful statement that translates into pure enjoyment.

Don't miss their Rhapsody in Silver, Hoagy Charmichael or Lynchburg Sunday morning "special" sets.

Dick Doner	Trombone
Jim Richardson	Reeds
Paul Reid	Piano
George Olson	String Bass
Don Richardson	Banjo
Larry Kostka	Percussion

The **Night Blooming Jazzmen** return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan MC, and the whole band enters in on the hilarious and spontaneous shenanigans.

Rusty Stiers	Trumpet
Lee Westenhofer	Bass, Tuba
Jim Buchmann	Clarinet
Steve Tyler	Trombone
Jason Wanner	Piano
Dick Maley.	Drums
Shelly Burns	Vocals

This will be the sixth appearance of a creatively formed band called **The Professors**. Made up entirely of teachers from the seventh annual Mammoth Lakes Jazz Jubilee Camp, the Professors is led by camp administrator Bill Dendle. The rest of the players/instructors are Rusty Stiers, Jim Buchmann, Jason Wanner, Steve Tyler, Dick Maley and Lee Westenhofer. Vocalist Shelly Burns joins in the fun this year!

"In the past, camp instructors hailed from various bands. It made scheduling very difficult because the Jubilee's youth band is made up of camp participants," Jubilee Co-Director Ken Coulter explained. "Three years ago, we decided instructors could not be in a separate band so we formed a new one." The success of the Professors was instantaneous.

With so much talent and experience, they will surely bring the house down again this year!

Returning for the fifth year in a row, **Ryan's Raiders** are "roving ambassadors" for the Mammoth Lakes Jazz Jubilee and have already been accused of "working without a net" (because Annette only works with Frankie Avalon!).

Their "request" style allows the fans to hear songs that sometimes are overlooked, and these guys play anything. Truly innovative, with superb musical abilities and a wide-open approach to entertaining, the Raiders offer a unique addition to the festival line-up.

Check out their first CD, it's a blast. In addition to playing sets at the many of the tented sites, the Raiders will be playing at Angels Restaurant, Perry's Restaurant and Alpenrose Restaurant.

We would like to welcome former Mammoth Jazz Camper Tommy Catanzaro back as a performer.

Charles Bond	Cornet
Louis Brown	Trombone
Jerry Krahn	Guitar, Banjo
Joe Murphy	Tuba, Bass
Jeff Barnhart	Piano, Vocals

The **Titan Hot 7** is a Nashville-based hot jazz band. Most of the seven have worked together for years in various combinations. This is the second time playing together at the Mammoth Lakes Jazz Jubilee and we are excited to welcome them.

The Titan Hot 7's principal musical style is Hot Jazz and since 1996 they have played it at jazz festivals and jubilees from Sacramento to Indian Wells to Chilliwack, BC to the Lake of the Ozarks. Three recordings are hot items to jazz lovers and include "Goin' to Tishomingo," "The Jean Wright Sessions," and "Jam in Music City."

Most of you have heard clarinetist Bob Draga's "fat sound" before and will be delighted when he teams up for special sessions with fellow band members Jeff Barnhart, a ragtime pianist and Danny on drums. The threesome will perform at Ocean Harvest Friday and Saturday nights at 11:30 p.m.

Tom Hook & the Terrier Brothers

Everywhere, USA

Tom Hook	**Leader, Piano, Vocals**
David Poe	Sax, Vocals
Bobby Durham	Bass
Marty Crum	Guitar
Ed Metz, Jr.	Drums

They're back!

All across America the swinging sounds of the forties are alive and **Tom Hook & the Terrier Brothers** are thrilled! Jump-Jive continues to take the nation by storm with small band sounds like Louis Jordan and Louis Prima. Swing is the thing and it's filling dance clubs on both coasts.

The Terrier Brothers are really offshoots of The Black Dogs and the Swing Cats Ball, both Mammoth favorites. This group of dedicated professionals has been performing traditional jazz all over the country and the world for close to ten years. They've got several recorded albums, European tours and even a tour in China on their impressive resume.

Jump-Jive has always been a key ingredient to the success of this group, and now that it is once again "en vogue" the band is poised to entertain a whole new generation of jitterbugs.

Don't miss this crew of dynamic musicians who swing hard, rock steady and drive everyone out of their seats and onto the dance floor. Their presence will surely be felt at the Goodbye 2001 party at Grumpy's Tent on Sunday night.
